**TACOMA, WASH.—** Tacoma Arts Live presents an eye-catching, educational show for the whole family, [Erth's Prehistoric Aquarium Adventure™](#). Join us at the Pantages Theater on Saturday, October 26 at 3:00 p.m. Tickets start at \$19 and are [on sale now](#).

Created in Australia by Erth Visual & Physical, this underwater adventure introduces young audiences to fantastical – yet very real – creatures of the sea. Using actors, special effects, puppetry, and science, Erth creates an amazing visual experience that makes the audience feel as though they are swimming in the ocean themselves.

Erth's Prehistoric Aquarium Adventure offers entertainment for the whole family and is based around the real science of paleontology. Children of all ages can learn and be mesmerized through this unique performance.

The show explores the unknown ocean depths, unlocking the mystery of the "Dinosaurs of the Deep". The creators spent years scouring the seven seas researching playful marine life including Moon Jellyfish, Angler Fish, and Comb Jellies. Erth's production includes a large-scale cast of creatures brought to life by sophisticated design, theatrical presentation and puppet mastery. Audiences will be in awe with life-like prehistoric reptiles like the [Kronosaurus](#), Kimberella, and [Plesiosaurus](#).

For over twenty-five years Erth's theatrical displays and innovative community projects have challenged and inspired audiences across the world, driven by a special interest in natural history, indigenous folklore, sociology, and urban mythology. Today the company is recognized internationally as an innovator of physical and visual theater, and a creator of brave, unbridled work for children. Erth's work tours year-round internationally.

Tickets to Erth's Prehistoric Aquarium Adventure are \$19, \$29, \$35, and \$49 and are [on sale now](#).
